Proud and eternal, Venice has reigned on its lagoon ever since the 6th century. You may think you know this city before even setting foot here. You will inevitably fall in love with the charm of the innumerable treasures of the Serenissima: **Saint Mark's square**, the **basilica**, **Doges palace**, the **Grand Canal** and the **gondolas**. Yet, secret Venice is also waiting for you to explore its little interlacing streets and canals, to ramble through its squares and to push open the doors of its churches. The city's extraordinary heritage shouldn't stop you from enjoying a glass of Spritz and a few tramezzini.

### ROVINJ

Arrival 02/07/2022 early morning

Departure 02/07/2022 early afternoon

Rovinj is located in Istria, a region bordering Slovenia. This becomes apparent as you walk through its old cobblestoned town. There are many **monuments of Venetian influence** here. If you study the Balbi arch, you will see the winged lion, symbol of Venice. The bell-tower erected beside **Saint Euphemia Cathedral** was designed like the bell of Saint Mark in Venice. From the top of the tower, you can scan the entire historical district. To absorb its quaint atmosphere, take a walk in the ochre and sepia-coloured streets leading to bustling squares and terraces shaded by canvas awnings.

### HVAR

Arrival 03/07/2022 early morning

Departure 03/07/2022 late afternoon

Off the coast of Split, Hvar will surprise you by its traditions that have not changed since Antiquity. The country's oldest town, **Stari Grad**, is here on this Dalmatian Island. The town nestles by a cove on the north-west coast, surrounded by dry stone wall structures on the Stari Grad plains. These have been designated a UNESCO World Heritage site because they were built in the time of the Ancient Greeks. From these parcels of land come wines and olive oil manufactured manually. In the upper part of town, it is possible to discover hams and cheeses made by local producers.

### KOTOR

Arrival 04/07/2022 early morning

Departure 04/07/2022 midday

Situated in one of Montenegro's most beautiful bays, **the medieval city** of Kotor is a small town full of charm, truly imbued with the traditions and stories of another time. Built between the 12th and 14th centuries, this village, a **UNESCO World Heritage Site**, has preserved many historical monuments from this epoch. During your stop, be sure to admire the impressive castle that dominates the town, and let yourself fall under the charm of its maze of small streets and intimate squares on which folk festivals featuring magnificent colourful costumes are often organised.

## DUBROVNIK

Arrival 04/07/2022 mid afternoon

Departure 05/07/2022 midday

Emblem of the Dalmatian coast, Dubrovnik is magnificently positioned on a rocky spur. History is sovereign here, in this ancient city, now a **listed UNESCO World Heritage site**. You will perhaps be surprised by the proportions of La Placa, the central drag through the city. The sheer width of it can be explained by the fact that it straddles a former lagoon. The elegant houses along La Placa are built in the legendary travertine stone. At Pile gate, you will be greeted by the statue of the patron saint of Dubrovnik, and you can admire the coastline as you **walk along the ramparts**. But what's inside **Fort Saint John**, adjoining the outer walls? A maritime museum and an aquarium featuring rare fish from the Adriatic.

## CORFU

Arrival 06/07/2022 early morning

Departure 06/07/2022 early afternoon

Named after the island, Corfu is the most famous city in the Ionian islands. Protected by citadel fortifications, its old city, designated UNESCO World Heritage, displays unusual **Greco-Byzantine and Venetian architecture**. Above the water stands Saint George's church, looking uncannily like a classical temple. The picturesque **Pontikonisi**, a stone's throw from the southern point of the town, is the legendary island where Odysseus landed.

## ITEA

Arrival 07/07/2022 early morning

Departure 07/07/2022 midday

Tucked away in the Gulf of Corinth, this **little port** is situated in continental Greece, north-west of Athens. Take an easy stroll along the old cobblestone quays, while gazing at the summits encircling the **Bay of Itea**. We wouldn't be surprised if you are tempted by a visit to the **Delphi Sanctuary**. The sanctuary is located on a plateau on the slope of Mount Parnassus, just ten kilometres from Itea. A listed UNESCO World Heritage site, this is a once-in-a-lifetime experience whose ancient ruins are surrounded by steep mountains.

## CROSSING THE CORINTH CANAL

Arrival 07/07/2022

Departure 07/07/2022

**The Corinth Canal** cuts through the Isthmus of Corinth, turning the Peloponnese into an island as it separates the region from the Greek mainland. Inaugurated in 1893, the canal is a little over six kilometres long and enables

merchant vessels and passenger to avoid a long 400-km detour around the peninsula. The two sides of the canal reach a height of approximately fifty metres. From the exterior decks, don't miss this unique opportunity to watch the ship as it navigates along the narrow strip of water encased between tall, ochre cliffs. What an experience!

## ATHENS

Arrival 08/07/2022 early morning

Disembarkation 08/07/2022 at 06:00

The Greek capital city is located on the edge of the Saronic gulf, in the east of the country. It bears a plural name in reference to the first villages that surround the **Acropolis**. You will be enchanted by the rocky plateau presided by its monuments listed as UNESCO World Heritage.
