This cruise is part of a collection of PONANT voyages that are specially-tailored for English-speaking travelers who want to engage with the world. In addition to the usual elements of the PONANT experience, the listed price for these voyages includes transfers to and from the ship, talks and discussions aboard ship by world class experts, and a shore excursion or activity in each port of call that encourages guests to embrace the sights, sounds, tastes, and smells of the local environment and culture.

PONANT brings you an itinerary to the heart of the most enchanting islands in the Caribbean Sea. Board *Le Dumont-d'Urville* for an **8-day cruise** combining long stretches of white-sand beach, idyllic turquoise waters, and the laid-back island way of life.

Board your ship in **Vieux Fort, St. Lucia**, whose two majestic volcanic peaks – the Gros and Petit Pitons – jut dramatically from sea to sky and are listed as a UNESCO World Heritage site.

You will then set sail for **Portsmouth in Dominica**, a mountainous island where inland rivers and nature trails provide a glimpse into the intriguing flora and fauna of the island and – if you are lucky – the chance to see the nation's national bird, the Sisserou Parrot. Do not miss the opportunity to sample some native chocolate from a local maker.

Continue north to **Les Saintes**, a small archipelago of **Guadeloupe**, a highly popular anchorage site with crystal-clear waters and fabulous seabeds where opportunities to enjoy the seascape abound. Snorkel, swim, or kayak in the shadow of the imposing 19th-century Fort Napoléon.

Your ship will then sail south to the archipelago of **Saint Vincent and the Grenadines**. Here, begin on the island of **Bequia**, where small, picturesque villages, unbelievably clear waters, and brightly colored coral reefs prove main attractions. Enjoy a day on your magnificent private beach on the island of **Mayreau**, before anchoring in the **Tobago Cays Marine Park**. This circle of islands, bound together by arguably the most beautiful coral reef in the West Indies, will reveal its incredible underwater wildlife during

your visit.

Le Dumont-d'Urville sails on to **Bridgetown, Barbados**, whose UNESCO World Heritage-listed historic center reveals touches of its British colonial past around every corner. Toast the end of your cruise with a glass of the island's famous rum as you relish the memories of your week at sea on this breathtaking stretch of the Caribbean!

To further enhance your Caribbean odyssey, an experienced diving instructor will be on board for the entire cruise, enabling you to safely enjoy swimming, snorkeling, and scuba diving (PADI Open Water Diver or equivalent). (additional cost)

The encounters with the wildlife described above illustrate possible experiences only and cannot be guaranteed.
