Valencia - the city of Art and Sciences. Two hearts beat in this Spanish city: one is modern, avantgarde and almost futuristic; the other is more provincial, more traditional and nostalgic. Valencia has the temperament of a great Mediterranean city whose wide avenues form a border around the old town. The city has an abundance of architectural styles that coexist harmoniously, but above all it resolutely embraces the 21st Century with the futuristic structures of its Agora congress centre and City of Arts and Sciences, emerging from a crystal blue pool.
