YOUR CRUISE

Tabletop icebergs, growlers, drift or pack ice... the Antarctic has its own language, which you'll soon speak fluently!

We are offering you a chance to sail through the Heart of the Peninsula who offers travellers an enchanting polar desert, a final frontier surrounded by a gigantic ice sheet. This is a fascinating journey to the heart of this remote land, Penguins live in their thousands, waddling on the shores, whilst Humpback Whales come and swim alongside ships.

PONANT is a voting Member of International Association of Antarctica Tour Operators (IAATO), organization founded in 1991 to advocate, promote and practice safe and environmentally responsible private-sector travel to the Antarctic. (iaato.org)
