YOUR CRUISE

Discover a new Ponant itinerary to the heart of Ultima Thule, a legendary stopover for those in love with the polar regions.

Step aboard the Le Soléal in Kangerlussuaq for a 17-day expedition cruise to the farthest reaches of the planet.

Between ice caps and ice floes, past glaciers, icebergs and brash ice, sail to the heart of the northern hemisphere's biggest ice producer.

You will stop over at Skraeling Island, the northernmost point reached by the Vikings, then return via the path taken by the famous American expedition led by Adolphus

From Greenland's west coast with its mountains softened by glaciers to the Arctic mountain range's steep slopes and Thule's high Arctic tundra, you will be sailing through the polar region's most spectacular landscapes.

Polar bears, musk ox and Arctic wolves: journey to see this amazingly rich fauna.

FOCUS ON... EXPEDITION

Exploring the world's extreme regions while enjoying 5* comfort and service: that is the unique Expedition Cruise concept brought to you by Ponant, the world's leading polar cruise specialist.

Exceptional itineraries

Ponant Expedition cruises take you off the beaten path, for true adventures that are both authentic and refined. We have designed a large number of itineraries just for you, to give you access to exceptional lands all around the globe. From the Arctic to the Antarctic via Alaska, South America or Oceania, each 5-star Expedition is the promise of a different and unique cruise experience.

A 5* expedition voyage

No matter which destination you choose, you will always find the same exceptional standards of comfort, service and elegance that have forged Ponant's reputation. Our sisterships have earned Class Comfort 1 certification and can sail in the world's most extreme regions, whilst offering an intimate and refined 5-star atmosphere and environment. A certain idea of luxury, a way of
