YOUR CRUISE

PONANT invites you to experience a magical Christmas and New Year during a 17-day expedition cruise.

From Ushuaia, you will board *Le Soléal* for an exceptional itinerary combining the three emblematic regions of the White Continent: The Falkland Islands, South Georgia and the unmissable Antarctic Peninsula.

At the start of your cruise, you will discover the Falkland Islands and their unique panoramas of hills and moors.

Further to the north you will reach the coast of South Georgia and its contrasting landscapes, between long mountain chains and black sandy beaches, where vast colonies of King Penguins have taken refuge.

Floating ice floes, tabular icebergs, and high snow-capped peaks: you will continue this Antarctic cruise by the discovery of the sublime landscapes of the north of the Peninsula.

Before returning to Ushuaia, you will complete this southern circuit by going ashore on Deception Island, which is home to quite extraordinary wildlife.
