### YOUR CRUISE

PONANT invites you to enjoy an unforgettable experience along the Pacific coast of South America, which offers contrasting landscapes and still-unspoiled lands.

In Ushuaia, the world's southernmost city, you will board the *Le Boréal* for a 14-day cruise from Patagonia to Chile.

After rounding the famous Cape Horn and sailing along the Beagle Channel, you will cross the Strait of Magellan, which separates Tierra del Fuego from South America.

Your cruise begins with 5 days and 4 nights of luxury expedition in the Chilean fjords, those torturous fjords where majestic glaciers seem to meet the ocean.

From Puerto Natales, you will be able to discover the Torres del Paine National Park. Listed as a UNESCO World Heritage Site, it is one of the most beautiful places on Earth.

You will also cruise to Tortel, located at the mouth of the Baker River, one of the most beautiful in Chile. This faraway village boasts unmatched architecture: stilt houses, wooden walkways, endless stairways...

After cruising along the 40<sup>th</sup> parallel south, the *Le Boréal* will call at Puerto Montt. You will be captivated by the incomparable beauty of the landscapes in this capital of the Lake District.

At the end of your cruise you will land in the legendary port of Valparaiso. This will be your chance to discover this 'paradise valley' whose historic centre is listed as a UNESCO World Heritage Site
