### YOUR CRUISE

Discover the historical and architectural treasures of the Dalmatian Coast with this brand new itinerary from PONANT.

From Italy to Croatia, you will sail the Adriatic for 9 days aboard *Le Lyrial*.

From Venice, you will reach Montenegro by sailing through the famous Bay of Kotor. This veritable "Mediterranean fjord" is considered one of the most beautiful bays in the world.

*Le Lyrial* will then reach Dubrovnik. Sitting high on a rocky outcrop, its old town, a UNESCO World Heritage Site, observes its visitors, and its monasteries, palaces and fountains from the Renaissance are each more graceful than the next.

You will also discover Mljet, an island of lush forests, and Korčula, which, according to certain historians, is Marco Polo's native island.

For the very first time, we will call at Cres, the largest island in the Adriatic. Between beaches and cliffs, it stretches into the Kvarner Gulf and has typical, colourful villages.

You will then make your way to Trieste, a surprising city whose atmosphere has seduced many artists. It has many architectural marvels, notably significant archaeological remains such as a 6,000 seat theatre.

You will finish with an overnight stay on the ship in Venice. The *Serenissima* and its splendours, Piazza San Marco, the Doge's Palace, the Grand Canal and the palaces will crown this unforgettable voyage.
