YOUR CRUISE

In partnership with Figaro Golf.

During this 8-day cruise, *Le Figaro* and Ponant invite you to combine the pleasures of sailing and your golf swing in the heart of the Mediterranean's idyllic landscapes.

For this new "Golf Special" edition, you will set sail aboard *Le Ponant* to discover a series of carefully chosen courses.

From Nice, you will chart a course towards prestigious addresses and will enjoy the incomparable beauty of the scenery around you.

Whether you are an experienced or an amateur player, you will be able to tee off in stimulating settings, between authentic villages and breathtaking panoramas.

After a day in Cannes, you will head for the rugged coastlines of Bonifacio and its limestone cliffs sculpted by the wind. Porto Cervo will then unfurl its small Italian streets and its marina, playing host to boats small and large all year long.

In Sicily, you will discover the village of Trapani and the town of Porto Empedocle, lands full of charm, from high cliffs and long beaches to archaeological treasures and authentic traditions.

Le Ponant will then head for Valletta. This capital, a UNESCO World Heritage Site, is home to many historical sites: St John's Cathedral, the Grandmaster's Palace and the churches of Our Lady of Victory, St Catherine and il Gesù.
