YOUR CRUISE

Discover a Ponant itinerary that takes in the most remarkable sights of the aptly-named "Isle of Beauty".

Blending elegance, comfort and intimacy, set sail for a Mediterranean cruise aboard Le Ponant, our majestic three-mast yacht.

Leaving from Nice, you will sail towards the Gulf of Girolata and the Scandola Reserve. A UNESCO World Heritage site, this paradise of ochre and red rocks will reveal to you its rich and protected flora and fauna.

You will discover Palombaggia and Roccapina, two unforgettable ports of call where you will enjoy superb fine sandy beaches with their calm, transparent waters. Edged by parasol pines, they are some of the most beautiful on the island.

You will also visit Bonifacio, the jewel of the far south of Corsica. A veritable fortress sculpted by the wind and the spray, the "sentinel city" will reveal its historical centre and its long cobbled streets.

Pristine nature, idyllic beaches, port cities, secret coves and rocky headlands: As Le Ponant sails along its coastline, Corsica will enchant you with the beauty of its contrasting landscapes.

FOCUS ON... PALOMBAGGIA (CORSICA)

Located on the south-east side of the island, close to Porto-Vecchio, the seaside town of Palombaggia offers some of the most beautiful beaches in Corsica. White dunes, pink porphyry rocks, turquoise waters of the Tyrrhenian Sea. In this dreamlike setting, everything invites you to rest and unwind. From the beaches you have a view of the Cerbicale archipelago, six rocky islands with jagged silhouettes hewn out by winds that, together, form a natural reserve. In the hinterlands, Alta Rocca proposes many possibilities for walks through generous pinewoods.
