### YOUR CRUISE

Follow in the footsteps of the **gold prospectors** on this **8-day cruise** brought to you by **PONANT**. This exceptional itinerary aboard *Le Soléal* will take you from **British Columbia to Alaska**, to discover magnificent landscapes marked by the **Gold Rush**.

Setting sail from **Vancouver**, you will make your way up the east coast of Alaska, whose **Inside Passage**, shaped by the sculpture of imposing glaciers, is home to **vertiginous fjords**. Here, the natural environment includes glaciers, coniferous forests, and myriad islands and islets magnified by the wonderful play of light.

After first calling at the small city of **Ketchikan**, home to charming, colourful stilt houses, discover **Sitka**, a former Russian settlement surrounded by tall mountains known for their **centuries-old totem poles**.

Sailing along **Tracy Arm**, one of Alaska's most beautiful fjords, will undoubtedly be one of the highlights of your cruise.

Before disembarking in **Juneau**, the capital of Alaska long inhabited by the Tlingit people, do not miss the chance to visit

**Skagway**, where many pioneers came in search of gold at the end of the 19th century, and **Haines**, where majestic **bald eagles** are often spotted flying over the houses.

*The encounters with the wildlife described above illustrate possible experiences only and cannot be guaranteed.*
