YOUR CRUISE

In partnership with National Geographic Expeditions.

Board the luxurious *Le Lapérouse* for a 16-day crossing of the Malay Archipelago voyage. You will experience a wide variety of unique destinations, discover ancient tribes, explore the most biodiverse marine ecosystems on earth and uncover historical locations that changed the face of history forever.

Join your expert expedition team, selected for their knowledge and experience, along with local guides to explore these unique destinations by foot, Zodiac® or local transport.

This bespoke experience will showcase the astonishing diversity of cultures, landscapes, flora and fauna across the Malay Archipelago.

From the lush rainforest topped karst islands of West Papua, through the sun kissed islands of the Moluccas, to the remote regions of the Philippines, discover one of the world's great adventures in waiting.
