YOUR CRUISE

From Papeete to Honolulu, the most beautiful islands in the Pacific are on the agenda during your 16-day PONANT cruise. You will sail aboard *Le Soléal* for an unforgettable journey to discover a wild and exotic world.

Between pearl farms and white sandy beaches, French Polynesia will reveal its many mysteries to you. Surrounded by superb lagoons of translucent waters edged by exceptional coral reefs, the islands of Polynesia are undoubtedly some of the most beautiful in the world and home to an astonishing and rich wildlife.

At the heart of the Tuamotu Islands, you will spend some time in the magnificent Rangiroa Atoll. This gigantic atoll with breathtaking underwater scenery is most known for the cultivation of its famous black pearls.

A little more to the east, discover the unique charms of the Marquesas Islands, whose volcanic landscapes are home to turquoise lagoons and secluded bays.

You will then chart a course towards Hawaii. The Hawaiian Islands will delight you with their world-renowned idyllic beaches as well as their exuberant nature, a succession of rainforests, waterfalls and volcanic lands. From Hilo, a small island of lush green hills, you will visit the Volcano National Park, the only site in Hawaii listed as a UNESCO World Heritage Site.
