### YOUR CRUISE

On this itinerary, **PONANT** invites you to discover the must-see jewels of the **Seychelles**. On Mahé, you will board *Le Bougainville* for a **9-day expedition cruise** to the heart of this archipelago's Inner Islands for a glimpse of paradise.

The first stop on your cruise: **Sainte Anne Marine National Park**, whose coral reefs are home to stunning species, guaranteeing unforgettable snorkelling.

On **Curieuse Island**, reputed for its red earth and for the **Aldabra giant tortoises** that have taken up residence there, take an excursion to the heart of the **mangrove**. You will then discover **Aride**, an unspoiled delight of the **Indian Ocean**, home to thousands of birds including some endemic species.

In **Praslin**, don't miss the chance to visit the **Vallée de Mai Nature Reserve**. There you will find **sea coconuts**, gigantic endemic fruits with a very evocative shape, nicknamed the "love nut".

**Palm trees, granite rock, white sand and crystal-clear water** await you on **Grande Soeur** and **La Digue**. The beaches on these two stunning islands are each more beautiful than the next, guaranteeing moments of relaxation that will live up to your fantasies of the Seychelles.
